iluminate
internal LED & UV LED light tubes

ILLUMINATION SERIES

Trip the Light Fantastic.

Immerse yourself in radiant, hypnotizing light with our internal light tubes. Our patented LED and UV/LED designs last longer, run cooler, and use less power than traditional CCFL products. And the adjustable external controller (included with all models) lets you trigger pulsating light shows with sounds from outside your case. Simply choose from a wide array of vibrant colors, and mount your chosen tubes just about anywhere. Fantastic, isn't it?

Internal LED Light Tube

UPC #: 761345-77108-5

Internal UV LED Light Tube

UPC #: 761345-77109-2

- Six LED lights pulsate to the rhythm of your music or games.
- Mount and aim these compact tubes almost anywhere, using adhesive pads (included)
- Adjustable external controller lets you trigger lights with sounds from outside your case.
- Durable LEDs deliver brilliant light while running extremely cool. The UVLEDs also add a cool glow to your UV components.
- Designed without inverters for safer, low-voltage power consumption
- Powered by your standard PC power supply

Specifications:

Color:	Blue / UV
